Dear Ladies,

Greetings from New Life Island!! We are looking forward to having you with us for our annual Ladies Retreat on September 17th & 18th. We are pleased to have Mrs. Brenda Hamilton with us this year. We know that you will be blessed as she shares with us from God's Word.

Enclosed is our Master Registration form. Please fill this out and return it to the camp by September 13th. The cabins are given out on a "first come, first served" basis.

We all enjoy our Silent Auction each year. The auction proceeds greatly help in the ministry of the island. Over the next couple years, our goal is to replace our freezer box and also add another convection oven. Your offerings and silent auction gifts will help accomplish this goal.

Please continue to pray for the ministry here on the island, a place where no one leaves the same.

Serving the King,
